PROJECT EXPERIENCE

Suitelifer Website

Software Engineer Intern

Baguio City, Philippines

Feb 2025 - May 2025

- Developed **responsive user interfaces** using **React.js** and **Tailwind CSS** for Suitelifer, a job application platform for Fullsuite, ensuring seamless UX with **animations** and **state management** using **Zustand**.
- Collaborated on **backend development** with **Node.js**, **Express.js**, and **MySQL**, utilizing **Knex.js** and **Workbench** to implement **RESTful APIs**, database migrations, and efficient data handling.
- Worked in an **Agile Scrum** team, contributing to sprint planning, stand-ups, reviews, and creating technical documentation and system diagrams to support clear, collaborative development.

Huzzl: A Job Board and Aggregation Platform

Capstone Leader

Urdaneta City, Pangasinan, Philippines

Jan 2024 - Jan 2025

- Led full-cycle development** of a Flutter web app to streamline job search and recruitment, integrating **AI-powered** resume scanning and job post generation.
- Managed the team using **Agile Scrum**, overseeing sprint planning, development cycles, and problem-solving sessions to ensure timely and goal-aligned project delivery.
- Contributed to **frontend and backend features**, including an **applicant tracking system** with **video conferencing**, while coordinating **documentation** and cross-team alignment.

GigLyric

Top Graded Mobile App (ETR)

Urdaneta City, Pangasinan, Philippines

Apr 2024 - May 2024

- Developed a **Flutter mobile app** designed to assist singers in preparing for live performances by providing easy access to song lyrics.
- Integrated a **third-party lyrics API** and implemented **Hive for offline storage**, allowing users to build personalized setlists and access content without internet connectivity.
- Designed a clean, distraction-free lyric interface that **solved key usability issues** for performers.

LEADERSHIP & AWARDS

Auditor

PSU Urdaneta Information Technologists' League

Urdaneta City, Pangasinan, Philippines

Aug 2024 - Present

- Managed finances and audits to ensure transparency, working with teams to optimize event resources.

12th TOPCIT Level 3: Competent

- Certified under Korea's *Industry Competency Standard* for ICT, demonstrating the ability to solve real-world technical and business problems at a university graduate level.
